Marian kisses John 'Dirty bastard shagging our next door neighbour in our bed!' she remarks as she starts wanking John who while watching the video had become erect again as John texts back: Hope you and Alison have not broken your step mum and your dads bed.

middle of the three houses the two on either side were only

used as fire exits, the large down stairs housed the changing rooms, a large bar with dance floor and stage, the

1st 2nd 3rd, 4th floors all housed play rooms while the large extension on the back in the grounds housed a large

swimming pool. The front door is opened by a mature couple who greets Marian and John 'hi you two must be Marian and John from South Wales come in!' the female remarks ticking them off the guest members list then takes

them to the changing rooms, the female wore only a shear

negligee that was completely see through to her waist,
black suspenders, black stockings, black knee length
boots

that click on the wooden floor as they make their way to
the

changing rooms. By the look of the stains on the
stockings, boots, suspender and the negligee the host
has

not long been in a creamy jizz shower. 'Hi I am Rachael
the owner of the club the stud there is Douglas my slut
husband 'Oh by the way we don't have different
changing

rooms for male female you can use any one, some times
you do find couples having sex in them, plus no bare

backing rubbers must be used at all times!' Rachael
remarks as they enter the changing room and she
removes
her black shear negligee.

They are shown their lockers by Rachael so Marian
removes her coat so that she is standing beside Rachael
in

only her stockings, suspenders, footwear, soon her coat
and her footwear were being stuffed in to her locker,
John

was also getting undressed placing his clothes in his
locker

soon followed by his own footwear. Now naked Marian
and

John stood there Douglas Rachael's husband also
standing

the other side of Marian, like John stood there fully erect
Marian's hands wrapped around their cock giving them
both a good wank to start. Marian then stops wanking
both
males then turning to Rachael she remarks This fucking
tart is gagging for your husbands cock in her hairy
pussy so
you can take my second husband away and fuck his
brains
out all I care!' as she starts to wank Douglas again.
After a short while Douglas goes to a condom machine
in
the changing room, gets a rubber from it uses his teeth
to
rip open the packet then with Marian's help he places a

bright pink rubber on his cock as Rachael drags John out
of

the changing room John also getting a rubber from the
machine. Now her husband has gone Marian sinks to her
knees, 'MMM I think its fucking time you got some
fucking

lip fucking stick on your bright pink clad cock!' before
she

starts to give Douglas a blow job taking all of the bright
pink

clad meaty cock in to her mouth so that his shaved
sacks

rest against her chin.

Soon after giving him a blow job to get the bright pink
rubber clad cock nice an click to go in to her soaking
wet

cunt Marian stood up kisses Douglas on his lips.

'Know that I have put some fucking lip fucking stick on
your

fucking rubber fucking clad fucking dip fucking stick you

now required to fuck me right fucking here fucking right

down Douglas's throat.

In reply Douglas pick Marian up then lowers her down on
to

his swollen hard rubber clad cock, her legs and arms
coiled

around his body he slams Marian against the wall as he
starts fucking her. Soon Marian is screaming as orgasm

after orgasm rips through her body.

After a while Douglas lowers Marian to the ground spins her around so her back faces him, her palms pressed flat

against the magnolia painted wall after being bent forward

Douglas holding her by her hips as he slides his rubber clad cock back in to her pussy and then starts fucking Marian doggy style he pumps away Marian moans 'Oh fuck

yes make me fucking cum again as I love doggy style!' before once more screaming as yet more orgasms rip through her body. Mid fuck doggy style a couple open the

changing room door take a look at Marian and Douglas
fucking doggy style walk past them open the husbands
locker and fetch out a box of rubbers and then leave
leaving the changing room door open. Douglas soon
moans as he fills the rubber with his hot creamy jizz,
once

he had finished he pulled out of Marian's pussy took the
used rubber off his limp cock put it in a small nappy
sack

sealed it up and tossed it in to the changing room bin
with

other used jizz filled rubbers. Once it was in the bin
Douglas got a new unopened rubber placed it in his
robe's

right pocket, once Marian had also put on her robe they head straight to the bar to meet up with Rachael and Marian's second husband John.

Douglas escorts Marian in to the bar where they Find John

sitting on a bar stool Rachael behind him as one of the female staff wearing only black fishnets, suspenders, high

heels is giving him a blow job as she knelt between his thighs. Marian takes off her robe puts it over her shoulders

kisses Douglas then walked over to her second husband thrusting her fake tits in his face before kissing Rachael full

on her lips. Douglas now having got under the female giving John a blow job and eating her pussy, Marian then kisses her second husband 'Rachael this cross dressing tart loves having his cock sucked!'

'Yes lover I do love having my cock sucked by tarts!'

John

replied while both Marian and Rachael take their turns on

John's rubber clad cock.

Douglas now eating the female on the bar before she went

back to sucking on John's rubber clad cock.

'Marian why don't we suck my husbands cock in the pool

'Oh yes fuck off so this hot female can finish sucking my cock in peace Marian you love giving a tag team blow job

in the pool just ask your step son about what you did to him with

the help of his step sister in the pool in Porthcawl last year!' as

Douglas holding both Rachael and Marian's hands takes them out to the large out door covered pool for the two female to give him a underwater tag team blow job.

Just as John blows his load in to his rubber the husband of

the female who also works at the club as a pool lifeguard

walks in to the bar as he was off duty tonight carrying his

robe, like most males he was fully erect wearing a used rubber on his cock the tip full of his cum, he walks over to

John 'Hope she has been good giving you a sexual service!' he remarks as his wife reaches up and start

wanking him while now licking John's rubber.

Soon she has her husband filling his rubber with more creamy jizz, once he had finished Caroline his wife stood up gave him a kiss then she introduced him to her husband

'This is John a guest from South Wales he is here with his wife who has gone off with Douglas and Rachael for a underwater threesome or a tag team blow job in the pool!'

Dave looks at John's cock and remarks 'Are you bi or straight as if I had a fucking cock like that fucker there I would be looking for both men and women to suck it for me!'

'I am bi!' John replied as he notice David smile and reply 'Glad to hear your bi as I have to suck that cock!' before sinking to his knees and in the bar David gave John a blow job as Caroline gave her husband a blow job as well.

Soon both David and John were filling their used rubbers with more jizz, when Caroline had realised that both her husband and her lover tonight had climaxed again in to their rubbers she remarks 'Why don't we go and get your wife and fuck off to a play room for a foursome with wife swapping!'

'MMM what do you think me, your our slut wives in a foursome with some wife swapping thrown in?' John asks David.

'MMM Yes I saw her off with Douglas and Rachael as I came in to the bar and I thought what a pair of Fucking tits

to go with her full furry triangle!' John grinned 'That's my

slut!' he remarked to him self as Rachael started wanking

her self with a bottle from the bar.

Once she had finished wanking her self they head for the

clubs pool passing a same sex male couple having sex on

the stairs. Caroline kissing John then David, then turning back to John she asks 'Dose your wife go swimming in her

stockings suspenders like I always do!'

'Hell yes some times so do I!' John replied as he gently spanked both David and Caroline on their arses They enter the large outdoor covered pool where they find Douglas holding the pools spring board Rachael getting her

breath beside him holding on to the pool side while a submerged Marian still in her stockings suspenders the heels of her feet just about breaking the surface as she

administers a underwater blow job to Douglas who was still

wearing the same rubber he took from the machine after he

had filled the previous one with creamy man jizz after fucking Marian in the changing room.

When Douglas, Rachael, Marian reach the pool all three adults toss their robes on to a empty poolside lounge then

Douglas dives in soon followed by both Rachael, Marian both females still wearing their stockings suspenders swim

to the spring board where Douglas holds on Rachael and Marian takes turns to give Douglas who is now not

wearing a rubber for the underwater blow job, if Marian surfaces

Rachael would dive down, then when Rachael surfaces Marian would dive down. While Marian was submerged Rachael started sucking one of the male life guards on the

spring board the life guard Like Douglas had no rubber on.

'My husbands all yours I am busy with this cock!'

Rachael

remarked as Marian dived back down. When Marian had once more surfaced Rachael was slipping back in to the pool just as John, David, Caroline walked past throwing their robes on to a empty poolside table, then John went

first followed by a still stocking clad Caroline then David diving in to the pool not far from where Marian and Rachael

were tag teaming Douglas with a underwater blow job.

As they stood in the pool Caroline between John and her husband she kisses John then Douglas 'When I am in the pool I love to snorkel with meaty snorkels!' Caroline remarks before submerging to suck both John and Douglas's cock as both males wore no rubbers soon the pool was filling with couples the males all wearing rubbers

on their erect cocks as they fucked, some couples did not

use the pool but instead used the poolside loungers,
chairs

or the poolside showers to fuck. Douglas soon moaned
as

both now Marian and Rachael were submerged just as
he

shoots rope after rope of jizz in to the pool.

Once Douglas had finished jizzing in the pool they swam
over to the pool side climbed out then while Douglas
and

Rachael shared a shower in one of the many poolside
showers Marian walked to the bar still wearing her wet
stockings, suspenders, got her self a small vodka then
headed back to the poolside where she sat drinking her

legs hanging in to the pool.

Soon Caroline had both John and David climaxing in to the

pool with her underwater blow jobs, once she had finished

firing his loaded cum cannon he swam over to where a drinking Marian was grabbed by her submerged ankles and

yanked her in to the pool in front of him, Marian kisses her

second husband full on his lips her glass of half finished vodka at the bottom of the pool, their soon joined by Caroline and David. After a short while a naked David climbs out of the pool water dripping off his cut cock as he

males load they follow David to their play room all four carrying their robes as they walked past reception and straight up to the second floor playroom.

robes, then Marian takes Caroline by her hand, then leads

her in to the bath area that houses a walk in shower that

was designed for two, while a naked John and David get on to the room's bed start kissing before they rubbed their hard cock together. While their husbands were kissing and rubbing their cocks together their wives got in to the play room shower, both standing under the shower once Marian had started the running water still in their stockings suspenders, Marian then noticed Caroline shaking every time Marian tried to go on for a full on lesbo snog or try to place Caroline's hand on her hairy triangle, the hot shower water running off Marian's fake breasts and her furry

triangle. 'What's wrong your shaking?' Marian asks with concern.

'Oh it is that I have never been with a lesbian before only

said I had not to disappoint David!' Caroline replied.

'Don't worry I wont eat you up and any way I will be gentle

with this lesbo virgin!' Marian remarked as she once more

kissed Caroline on her bare breasts then down to Caroline's silky smooth beaver which Marian skilfully makes wet while twanging the strap of Caroline's suspenders against her thigh. Soon Caroline screams as

her first girl on girl orgasm rips through her body, it was

so

intense that Caroline's stocking clad legs give way and

she

collapses to the soaking wet floor of the shower, Marian

still

eating her out, Caroline soon a shuddering wreck on the

floor of the room shower.

After Caroline finishes cumin Marian lays on the floor of

the

shower and begs Caroline to eat her fucking furry

triangle,

soon Caroline is munching of Marian's furry triangle,

Caroline soon tasting her first female orgasm Marian

squirting her musky juices in to Caroline's mouth.

After Marian had finished cumin they share a full on
lesbo
kiss then Marian still wearing her wet stockings
suspenders
headed over to the large double bed where John was
getting his cock sucked by David, Marian stands beside
the
bed watching her husband getting his cock sucked by
another male hands on her waist 'Hope there is room for
a
fucking part fucking time fucking dyke!' Marian remarks
with her slutty grin.
'Make that two fucking part fucking time fucking dykes!'
Caroline remarked as she came over from the play room

shower as well to their husbands.

Marian is first on to the bed still in her wet stockings
suspenders helping David put a rubber on her second
husbands cock before helping David give John a blow
job

before Caroline demands to Suck John's rubber clad tool.
While John is getting his cock sucked by Caroline Marian

David got his cock sucked again before also fucking Marian

in her tight arse, soon John is also taking a screaming Caroline up her tight virgin arse. Soon both John and David moan then empty their cock in to their sex slave bitch's arses both female's screaming 'Shoot all of your fucking jizz up our fucking ass's.

Once John and David had finished giving their two sex

they

put on a two girl show in a lesbo 69 John looking at

David

fucking

dykes lick each other to get you fucking hard again!'

'Yes John It gets you in the mood to spank the monkey!'

David replied as both males started to wank their now

fully

erect cocks. Then John tells David to lay on the floor

before he grabs Marian by her hair telling her to ride the

well hung fucker on the floor. Marian grins as she knows what's next as she rides David cow girl facing him John forces her to lay forward so she is almost face to face with

David has her second husband forces his hard cock in her ass. Soon she has both holes filled with cock, as they

fuck her she screams 'Oh I love it when I have fucking cock

in my fucking cunt and my fucking arse!' as orgasm after

orgasm rips through her body. While Marian is double penetrated Caroline wanks her self on the bed.

Soon both males climax in Marian's cunt and arse, once

they have finished they get up off the floor of the play room
